No. E(NG)2023/PM1/20

New Delhi, dated 03.10.2023

The General Manager(P)
All Zonal Railways & Production Units
(except Northern Railway)

Sub: Selection calendar *de-novo*—an effective Monitoring Tool.

The grant of timely promotion by HR department is an area of utmost priority which safeguards both our employees aspirations and organizational interests. Several instructions have been issued by Railway Board directing the Zonal Railways and PU's to ensure timely promotions and to prepare a selection calendar for ease of monitoring the progress made in selections, and accordingly this data is also being sought periodically.

In this regard Northern Railway has prepared a draft calendar for monitoring of selections a copy of which is being circulated for the benefit of all Railways. PCPO/NR while introducing the system improvement initiative has indicated that with this new initiative, HQ office will actually let the divisions/units know of their pending selection/suitability/trade test. This will be a full-proof exercise with no selection/suitability/trade test being lost sight of. The idea is laudable and is worth emulating.

All Railways may suitably devise their promotions monitoring mechanism to ensure timely career progression for their employees.
