

सवारी डिब्बा मरम्मत कारखाना मंचेश्वर CARRIAGE REPAIR WORKSHOP MANCHESWAR

Carriage Repair Workshop, Mancheswar (CRW/MCS), a young and dynamic establishment under East Coast Railway and most productive workshop in manpower productivity ratio on Indian Railways, discharges the key responsibility of periodic overhauling of all Mail/Express/Passenger & departmental coaches of East Coast Railway. Establishment of the workshop has helped East Coast Railway to achieve self-sufficiency in maintenance of passenger carrying and other coaching vehicles.

Construction of CRW/MCS was sanctioned by Railway Board in Works Programme 1977-78. Prof. Madhu Dandavate, the then Hon'ble Minister of Railways, laid the foundation stone on 26.05.1978. The Workshop was commissioned with the beginning of corrosion repairs on 12.11.81, in presence of Shri K. N. Pandey, the then Hon'ble Minister of Railways. The first off POH coach was turned out from the shop on 31.12.1983 in presence of Shri C. K. Jaffer Sharief, the then Hon'ble Minister of State for Railways.
