4. On the existing pattern of TC collection, TAC (Terminal Access Charge) shall be redefined as OTAC (Originating Terminal Access Charge) and DTAC (Destination Terminal Access Charge) and shall be levied as mentioned in the above Table (OTAC, DTAC or both, as the case may be), at the time of RR generation for both the loading as well as unloading terminals.
5. When the privately owned rake is used by IR in empty direction, all rebates/ concession benefits, as admissible to IR rakes, will be admissible for customer when IR uses these rakes for any loading in the empty direction.
6. RR for empty movement of private rakes shall be of Zero value, except in case where excess empty movement is chargeable in LSFTO/SFTO/LWIS rakes.
7. CRIS may develop a provision in the system to ensure that in case a DTAC has been charged for a terminal, OTAC for the next RR is suitably adjusted as per the extant policy guidelines.
8. CRIS shall implement the above instructions in FOIS at the earliest and inform Board and Zonal Railways accordingly.
9. The above provision shall be monitored on quarterly basis to assess any issue/deviation from the extant guidelines, and the relevant details may be brought to the notice of MoR/CRIS.
10. A review of the above provision may be done after a period of 6 months from the date implementation to ascertain if the provisions implemented in FOIS conform to all extant guidelines in regard to collection of freight from private wagon investors.
11. This issues with the concurrence of Finance Directorate of Railway Board.
