No: C/SBP/Public Auction/Bauxite/AMB/2024 Date: 06.05.2024
Public Auction Sale/Notice

Notice is hereby given under section 83 and 84 of the Railway Act 1989 that Approximately 100 tones Bauxite are lying at Ambadola Railway Station under the custody of the Railway will be disposed off by Public Auction on open cum sealed bid system at the following place and time as per auction rules. Sealed bid in sealed cover will be accepted from the intending bidders up to 10.30hrs on 21.05.2024 by SMR/AMB along with Bank drafts drawn in favour of FA& CAO, East Coast Railway, Bhubaneswar towards 25% of bid amount plus proportionate GST (i.e. 5 %). On the top of sealed covers auction notice number and date, bidder's name and address should be indicated clearly. The open bidder should have to deposit Rs.67,500/- (Rupees Sixty Seven thousand five hundred) only as security money in the public auction either in the shape of cash or Demand draft drawn in favour of FA& CAO, East Coast Railway, Bhubaneswar. The security money is refundable to unsuccessful bidders. The highest and the successful bidder can deposit 25% of the total bid amount plus proportionate GST (i.e.5 %) in the day of auction failing which deposited amount will be forfeited. The consignment is to be removed from the Railway premises within stipulated time of three (03) days or else wharfage charges will be levied as per extant rules and in no case the auctioned consignment will be allowed to be stacked more than seven (07) days from the date of Auction (excluding the date of auction). If it exceeds 07days as stipulated above, the deposited amount will be forfeited and the auction consignment will be treated as abandoned. If any mistake is found in the describing the quantity, measurement or weight such mistaken will not be held to viviate or effect the sale of such consignment in any way. It is being understood that the intending bidder shall satisfy himself on all point before bidding as, no objection will be entertained after the auction sale.

On receipt of the full amount clearance certificate, permission will be given by SMR/AMB for lifting the auction material from the site. The material is to be lifted by successful bidder on his own cost and on "**As is where is basis**" without infringing Railway working. Removal of auctioned consignment will be allowed within the period of sunrise to sunset.
