Subject: Operations & Traffic Control – an integrated command centre for all departments /branches involved in Train Operations - and instructions on Traffic Control Cadre.

Railway Board had constituted a Committee comprising AM/TT, AM/Staff, AM/Revenue, PED/Infra, ED/TTF and ED/Transformation to examine various issues regarding traffic control and suggest measures to address the same.

2. Recommendations of the Committee have since been accepted by the Board and, towards the policy aim of making Railway Traffic Control Organisation at par with the global best, following instructions are being issued for immediate compliance:

- It has been decided to rename the Traffic Control as Operations & Traffic Control to serve as an Integrated Command Centre of all departments and branches involved in Train Operations.
- Traffic Controllers' Cadre as a trained talent pool shall be filled by the prescribed streams viz. Direct Recruitment/LDCE/Departmental Selection, as per the structure outlined at Annexure-I. (Amendment/ACS to IREM and related detailed instructions would follow.)
- A standard working environment /facilities shall be provided to all staff working in Control Office.
- State-of-the-art IT driven support systems in Operations & Traffic Control would be provided by leveraging emerging technologies, for which instructions would be issued separately.

3. This issues with the approval of DG/HR and the Railway Board (M/O&BD and the CRB & CEO)
